NEUTRA-SOFT

LABEL INSTRUCTIONS

Product Description & Directions For Use:

Developed exclusively for the healthcare market.
All-in-one carpet cleaner, urine neutraliser, deodoriser and rinse agent.
Neutralises and removes urine residues and odour.
Leaves carpets and fabrics clean and soft.
New surfactant technology eliminates resoiling.
WOOLSAFE Approved maintenance product for wool carpets and rugs.

Always pretest carpet or fabric for colour fastness and possible colour or texture change before proceeding. Do not use on water sensitive fabrics. Do not mix with other cleaning detergents.

Mix 100ml of Neutra-Soft per 10 litres of warm to hot water (1 to 100) in the extraction machine solution tank. Clean as normal.
For heavily contaminated areas of urine, mix 250ml of Neutra-Soft per 5 litres of warm to hot water (1 to 20) and pre-spray area with a suitable carpet pressure sprayer. Allow 10 to 15 minutes dwell time and then extraction clean as normal using standard dilution of Neutra-Soft in the extraction machine solution tank.

NEUTRA-SOFT is an all-in-one extraction detergent and urine prespray for carpets.

- Specifically designed for regular maintenance of carpet subject to urine contamination (e.g. the healthcare market).
- Pale green liquid with tropical lemon fragrance.

pH Concentrate: 4.0

pH Diluted: 5.0

HANDLING AND SAFETY

For professional and industrial use only.
